

URGENT: CALL FOR NOMINEES

FOR CAREERS & the disABLED MAGAZINE's ANNUAL EMPLOYEE OF THE YEAR AWARDS

TO: All Human Resource Managers

FROM: John Miller, Publisher, CAREERS & the disABLED magazine

Each year CAREERS & the disABLED honors the personal and professional achievements of remarkable individuals with disabilities (IWDs) in the workplace via its Annual Employee of the Year Awards.

As such, this year CAREERS & the disABLED, once again, invites your company or government agency, as a progressive employer that recruits, hires, and promotes people with disabilities, to submit the name of a full-time employee who has a disability, as a candidate for CAREERS & the disABLED's Employee of the Year award.

Please note we'll consider a maximum of two nominees with disabilities based in the U.S. who are employed full-time by your company or government agency.

CAREERS & the disABLED will honor the 33rd Annual Employee of the Year Award Winners in several ways.

Award winners will be spotlighted in a profile in our annual CAREERS & the disABLED Spring Awards Issue, which will be published in May 2025 and will be distributed in print and in a digital edition to our national readership. In addition, they'll be showcased on our website, www.eop.com, and their stories will be shared on our social media platforms, Facebook, X, and LinkedIn. Plus, award recipients will also be highlighted in a press release. An award plaque commemorating the honor will be sent to all 2025 award winners.

Please include your CAREERS & the disABLED Annual Employee of the Year Award nominee's qualifications (in no more than 500 words). In that, please include your candidate's disability advocacy efforts inside and outside the workplace, professional accomplishments in the workplace, community outreach initiatives and other reasons why the full-time, U.S.-based employee with a disability you're nominating is an excellent all-around role model inside and outside the workplace for and within the Disability Community.

Please complete the information below, as well as the 500 words describing the candidate as outlined above, and email it to Barbara Capella Loehr at bloehr@eop.com by **March 3, 2025**. Please email or call Barbara with any questions at 631-421-9421, ext. 12. Thank you for helping us publicize your efforts and those of your outstanding employees with disabilities. And stay safe and well!
